Prot. Le8/22

The Embassy of the Republic of Albania in Ankara presents its compliments to the Ministry of Foreign Affairs of the Republic of Turkey and has the honor to kindly inform regarding The International Trade Fair in Agriculture, Technologies, Food & Processing, "Agriculture Days 2022", that will take place in Albania on May 19-21, 2022 in the city of Lushnje.

The placement of the exhibition is strategically chosen taking into consideration that Lushnje is known as the capital of agricultural exports, featuring several markets for the collection of agricultural products and linked with a variety of exporters not only from the countries of the region and the EU but also expanding the map of "Made in Albania" products to the Nordic countries. Agriculture Days 2022 will offer important opportunities for the businesses and professionals in agriculture, covering the whole Balkan market. For more details of the participants, please contact the representative of the Iceberg Exhibitions, Mr. Arben Oshafi: [arbenoshafi@icebergexhibitions.com](mailto:arbenoshafi@icebergexhibitions.com); mob: +355 69 40 63 909.

Regarding the above, kindly request to inform the interested parties for participation in this fair.

The Embassy of the Republic of Albania in Ankara avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Turkey the assurances of its highest consideration.
