Investment Matchmaking

The Investment Matchmaking program facilitates direct connections between exhibitors and potential investors through a structured platform. This program addresses the capital needs of exhibitors with secured interest from international buyers, enabling them to support export activities.

PRESENTATION & PITCH

Exhibitors present products, business models, and expansion plans to investors.

BUSINESS DIALOGUE & NEGOTIATION

One-on-one meetings to discuss potential collaboration and investment opportunities.

DEAL ALIGNMENT & FOLLOW-UP

Agree on terms and outline next steps for investment partnership.

The program aims to create meaningful investment opportunities, accelerate business growth, and support exhibitors in entering global markets with greater confidence and capability.

TALKING CATEGORIES

On-Site Media Center (Event Day)

During the event, D-8 HEI provides a Media Center for journalists, TV reporters, photographers, and digital teams. It serves as the hub for real-time updates, press briefings, and on-site news distribution.

Integrated Website

The HEI website serves as the central information hub, integrated with exhibitor, buyer, and visitor registration. It hosts all digital promotional materials and supports global access and cross-channel marketing, including SEO and digital ads.
