

ABOUT US

We take great pleasure in introducing **MM ENTERPRISES (MME)** as one of the leading infrastructure projects development organisations in Bangladesh. We specialise in promoting, consulting, developing and implementing turnkey projects and trading contracts on behalf of foreign principals, across various sectors in Bangladesh.

Founded in 2010, our parent company, PANASIA GROUP, is a reputable, top-tier garments & textiles manufacturer & exporter of Bangladesh. Starting its journey in the garment industry with one of the most successful Apparel Buying Houses three decades ago, culminated in the manufacturing-industrial conglomerate which is PANASIA CLOTHING LTD.

Another sister-concern under the PANASIA GROUP banner is DURBIN LABS LTD, a multi-award-winning web and mobile app development firm with a decade of experience guiding clients through the digital transformation process. DURBIN LABS LTD is an innovative solution provider for web and mobile-based applications. Starting its journey officially in 2012, DURBIN LABS LTD has become one of the fastest-growing Software Companies in Bangladesh. Within a few years of operations, DURBIN LABS LTD has carved a niche for itself in the IT industry and has expanded its business by serving fortune 500 companies, government agencies, and big corporations, both in and outside of Bangladesh.

The Group provides employment to more than 2000 people and garnered various industry accolades as an equal opportunity employer.

MME maintains a distinct reputation as an effective and experienced partner to work with on infrastructural turnkey projects across the country. Along with our foreign partners, we work closely with the GOB & its various associated ministries, departments and organisations in conjunction with a host of associated international & national lending & donor agencies as well as a wide range of local contractors & vendors to implement turnkey projects.

KEY PERSONNEL

SYED MOSHARRAF HOSSAIN – PARTNER

Mr. Mosharraf Hossain obtained his Masters in Political Science with Honours, from Rajshahi University in 1988 and started his professional career in 1990, as Senior Executive at South East Trading Ltd - a concern of the renowned two hundred year old South Asian business conglomerate MM Ispahani Ltd. From the outset, Mr. Mosharraf Hossain worked directly under the guidance and tutelage of the great business icon Mr. Behruze Ispahani, who later (2004-2017) also served as Chairman of Ispahani Group. In 2012, Mr. Mosharraf became the General Manager of South East Trading Ltd. During this period he was instrumental in promoting and developing various turnkey projects, consultancy projects and trading contracts for foreign principals. He has worked with many Chinese, Indian, Korean, Japanese and European companies and promoted a large number of infrastructure, power and consultancy projects successfully in Bangladesh.

Mr. Mosharraf Hossain is renowned in the sector for his meticulous attention to detail from start to finish of every project and for his ease and smooth navigation of the business ecosystem comprising foreign Principals, local Government Ministries, Agencies, Tendering authorities, International Donors & Lending Agencies and both local & foreign Contractors & Suppliers. For three decades he has skillfully guided South East Trading Ltd and MM Ispahani Ltd to becoming one of the biggest government contractors in Bangladesh.

In 2017, Mr Mosharraf Hossain became the General Manager of the parent company MM Ispahani Ltd, after the demise of their Chairman Mr Behrouze Ispahani. His final project implemented on behalf of the Ispahani Group was the prestigious Chinese G2G funded Waste Treatment Plant at Dasherbandi in 2019, valued at five hundred million US dollars . Since 2020, Mr Mosharraf has formed his own venture, **MM Enterprises**, continuing his contribution as an entrepreneur and consultant in the same capacity and sector as he has been doing for over thirty years.

KAZI ANIS MOQUIT – MANAGING PARTNER

Mr. Kazi Anis Moquit completed his BSc and Post Graduate degree in Finance from Dhaka University. For the last thirty years he has established himself as a renowned entrepreneur, primarily in the Ready Made Garments (RMG) sector.

Mr. Anis Moquit started his career by establishing one of the most successful apparel buying houses in the industry for almost two decades, before expanding his footprint into apparel manufacturing, trading and ICT, in 2010 - resulting in the formation of PANASIA GROUP. Besides the flagship PANASIA CLOTHING LTD, he also established a successful Information Technology venture – DURBIN LABS LTD, in 2012. A multi-award-winning web and mobile app development firm guiding clients through the digital transformation process, under Mr Anis Moquit's guidance, DURBIN LABS LTD has become one of the fastest-growing Software Companies in Bangladesh.

Mr. Kazi Anis Moquit is also an avid art enthusiast having vast knowledge and experience in promoting the Arts sector. He is the publisher of a popular art magazine named Depart.

Dear Sir,

Please be informed that Bangladesh Petroleum Exploration & Production Company Ltd (BAPEX) has invited an international tender for procurement and services for a 2000 HP AC-AC VFD Type Land Drilling Rig and Rig Accessories with a capacity to 5000 meter.
