Strategic Objectives

1. Stimulating Trade Exchange:

Increase the volume of trade between Libya and participating countries through the exhibition platform.

2. Supporting Local Industry:

Showcase Libyan products and services and enhance their competitiveness in regional and international markets.

3. Attracting Foreign Investment:

Provide a secure and professional environment for international companies and trade missions to explore viable investment opportunities.

4. Promotion and Visibility:

Leverage public and media momentum to strengthen the brands of participating entities.

5. Sector Integration:

Foster integration among the energy, services, and technology sectors to enhance local production efficiency.

Vision

To position the Tripoli International Fair as the leading investment and trade platform in the Southern Mediterranean, the primary gateway for global companies to access the Libyan market and emerging African markets, and a hub for forging cross-border partnerships that drive sustainable economic growth, innovation, and regional integration.

Mission

To reposition the Tripoli International Fair as a high-impact business and investment platform that connects international investors, multinational corporations, and decision-makers with tangible, executable opportunities within the Libyan economy. This is achieved through professional international organization, focused B2B and B2G networking programs, and sector-specific business tracks that facilitate market entry, build strategic partnerships, and generate long-term sustainable value.

Values

•Heritage with a Modern Spirit:

We take pride in our historical roots (since 1926) while embracing the latest global standards in event organization and innovation.

•Sectoral Integration:

We believe that economic strength lies in the integration of its sectors; therefore, we bring together industry with energy, and technology with trade, within a unified ecosystem.

•Transparency and Credibility:

We are committed to providing a secure and transparent business environment that safeguards the rights of all stakeholders and strengthens foreign investor confidence.

•Opportunity Creation:

We do not wait for opportunities; we create them by connecting capital with innovative ideas and real market needs.
